# AQUAVIT

---

Aquavit, or Akvavit, is a spirit native to Scandinavia, and is often drunk as an aperitif, but also during festive gatherings, such as Christmas, birthdays and weddings. It is produced either from grain or potatoes and flavoured with spices such as caraway.

Aquavit's Latin translation is the "Water of Life."

## AQUAVIT

**\$/GLS**

---

**AALBORG TAFFEL**, Denmark

8

*Caraway dominates the palate filling every corner of the mouth with a faint trace of orange. Denmark's most popular aquavit.*

**AALBORG JUBILAEUMS**, Denmark

8

*Clean and fruity, distilled primarily with dill in combination with coriander, star aniseed and citrus.*

**LINIE**, NORWAY

8

*Matured in casks, then loaded onto cargo ships that voyage to the Southern Hemisphere and back, crossing the equator twice.*

*This tradition begun over 100 years ago when it was first noticed that one particular batch of Aquavit, recently returned from Australia aboard a cargo clipper, had matured with an exceptional mellowness.*

*The name of the ship in which each batch of Linie Aquavit is matured is indicated on the inside of the back label (you can see it looking into the bottle).*

# HOUSE WINE

---

We source small batches of premium red wine from the barrels of our winemaker friends throughout Australia, and serve it via our unique decanter system. Our current offering is from one of Australia's elite Winemakers - Pete Fraser of Yangarra Estate. Pete has put together a one-off blend for us consisting of predominately Shiraz along with 10% of the little know variety, Carignan. All grapes are off Yangarra's biodynamic Estate Vineyard in McLaren Vale, and the wine is unfinned and unfiltered. The result is simply unreal.

# ARMAGNAC – 36 VINTAGES

---

Armagnac is produced from grapes in the Armagnac region in southwest France. Distilled only once (as opposed to Cognac where double distillation takes place), it results in a more fragrant and flavourful spirit than Cognac.

Our offerings are from the legendary Baron de Sigognac, who hails from the most premium sub-region of Armagnac, Bas-Armagnac. An Armagnac is the perfect way to finish a meal.
