AQUAVIT

\$8 EACH

Aquavit, or akvavit, is a spirit native to Scandinavia. It is produced either from grain or potatoes and flavoured with spices such as caraway.

AALBORG TAFFEL

DENMARK

Denmark's most popular aquavit.

AALBORG JUBILAEUMS

DENMARK

Clean and fruity, distilled primarily with dill in combination with coriander, star aniseed and citrus.

LINIE

NORWAY

Matured in casks, then loaded onto cargo ships that voyage to the Southern Hemisphere and back, crossing the equator twice.

This tradition begun over 100 years ago when it was first noticed that one particular batch of Aquavit, recently returned from Australia aboard a cargo clipper, had matured with an exceptional mellowness. The name of the ship in which each batch of Linie Aquavit is matured is indicated on the inside of the back label.

HOUSE WINE

We source small batches of premium red wine from the barrels of our Winemaker friends throughout Australia, and pour via our unique decanter system.

Our current offering is from a family-owned winery in the Adelaide Hills dedicated to creating small batch wines, Main & Cherry.

Winemaker/owner Mike Sexton has put together a one-off wine for us consisting of Pinot Noir from the cool climate Adelaide Hills sub-regions of the Onkaparinga and Piccadilly Valleys.

ARMAGNAC

Armagnac is a region in southwest France. Distilled only once (as opposed to Cognac where double distillation takes place), it results in a more fragrant and flavourful spirit than Cognac. Our offerings are from the legendary Baron de Sigognac.
