AQUAVIT

\$8/30ML

Aquavit, or akvavit, is a spirit native to Scandinavia. It is produced either from grain or potatoes and flavoured with spices such as caraway.

AALBORG JUBILAEUMS

DENMARK

Clean and fruity, distilled primarily with dill in combination with coriander, star aniseed and citrus.

LINIE

NORWAY

Matured in casks, then loaded onto cargo ships that voyage to the Southern Hemisphere and back, crossing the equator twice.

This tradition begun over 100 years ago when it was noticed that a batch of Linie Aquavit being returned from Australia aboard a cargo clipper, had matured with an exceptional mellowness. The name of the ship in which each batch of Linie Aquavit is matured is indicated on the inside of the back label.

HOUSE WINE

We source small batches of premium red wine from the barrels of our Winemaker friends throughout Australia, and pour via our unique decanter system. Our current offering is from the McLaren Vale master, S.C. Pannell

As a winemaker always seemingly destined for greatness (his parents established the famed Moss Wood winery in Margaret River), it is little wonder that Steve Pannell has gone on to become one of Australia's most awarded Winemakers.

Steve has expertly expressed the simultaneous power and playfulness that blending Shiraz with alternative varietals can offer. The Portuguese variety Touriga Nacional (24%), along with Grenache (10%) and Montepulciano (8%) have been used to create this stunning, one-off wine for us.
