AQUAVIT

\$8 EACH

Aquavit, or Akvavit, is a spirit native to Scandinavia. It is produced either from grain or potatoes, and flavoured with spices such as caraway.

AALBORG TAFFEL

DENMARK

Denmark's most popular aquavit.

AALBORG JUBILAEUMS

DENMARK

Clean and fruity, distilled primarily with dill in combination with coriander, star anise, and citrus.

LINIE

NORWAY

Matured in casks, then loaded into cargo ships that voyage to the Southern Hemisphere and back, crossing the equator twice.

This tradition began over 100 years ago when it was first noticed that one particular batch of Aquavit, recently returned from Australia aboard a cargo clipper, had matured with an exceptional mellowness. The name of the ship in which each batch of Linie Aquavit is matured is indicated on the inside of the back label.

HOUSE WINE

We source small batches of premium red wine from the barrels of our winemaker friends throughout Australia, and pour via our unique decanter system.

Our current offering is from Kalleske Wines in the Barossa Valley.

The Kalleske family have been growing grapes since 1853 near the village of Greenock. As one of the regions leading grape-growing families, they are renowned for growing some of the Barossa's best quality grapes.

As the sixth generation family winemaker, Troy Kalleske has delivered us this stunning one-off blend consisting of Shiraz (89%), Petit Verdot (8%), and Viognier (3%).

ARMAGNAC

Armagnac is a region in southwest France. Distilled only once, as opposed to Cognac where double distillation takes place, it results in a more fragrant and flavourful spirit than Cognac. Our offerings are from the legendary Baron de Sigognac.
